

# NATURAL THERAPY

## The key to a healthy body & mind.

### What natural therapy offers:

Natural therapy is a holistic approach to body and mind. It helps adults as well as children. Áron offers a range of services, including kinesiology, clinical hypnosis and computerised screening of your organ systems.

### If you or your children suffer from:

#### Physical

Migraines/ allergies  
Digestive disorders  
Chronic fatigue

#### Mental

Learning difficulties  
Concentration/ memory  
Lack of mental clarity

#### Emotional

Anxiety/ depression  
Lack of confidence  
Relationships

### You will benefit from:

- Overall wellbeing and improved health
- Harmony in body and mind; inner peace
- Release from stress and tension
- Improved concentration and learning abilities.

### Special offer: Get \$10 off your first consultation
